

PRICING TRANSPARENCY *PLUS+*

Patients today want and expect to have pricing information when shopping for elective healthcare services. Microscope is bringing to you the *AllPayor*® System which provides a solution that uses your hospital-specific claim, payment, and payor contract information to compute an estimated out of pocket amount so you can provide advance and accurate procedure specific quotes for your patients, and *satisfy both the standard charges and shoppable services requirements of the Price Transparency Final Rule.*

OUR SOLUTION: An all encompassing cloud based IT Platform that addresses Pricing Transparency, Claim Management and Contract Management with an experienced healthcare consulting team.

WHY PARTNER WITH US?

- ▶ We provide a platform that can bring additional value to your hospital
- ▶ The AllPayor® System has demonstrated their expertise with their software platform currently serving over 150 hospitals throughout the United States
- ▶ Microscope will save your hospital time by providing project management oversight on the implementation, review and updates of the All Payor® System
- ▶ Microscope’s team of consultants are experienced professionals with revenue cycle, reimbursement, financial and operational healthcare backgrounds
- ▶ Fast Implementation – timing takes approximately 4-6 weeks
