

## Home Care Per Diem Nurse Consultant

Microscope-HC, a healthcare consultancy, is seeking an enthusiastic temporary, per diem Nurse Consultant. Microscope-HC's clients are in a wide range of health care environments, including some of the largest hospitals, health systems, long term care facilities and care providers.

You will have the opportunity to work collaboratively with the broader Microscope-HC team in delivering the highest quality service to our clients; consult, work with and service our client base to make recommendations on business and process improvement. This position provides an exciting opportunity for those with experience in clinical and operational roles in the home care industry.

### JOB FUNCTIONS:

- Consults with and provides technical assistance to the clinical teams through interpretation, clarification, or updating of policies and regulations
- Consults with and provides training as needed for new or inexperienced nurses for home care services
- Performs reviews of related care practices for conformance with home care standards and regulations
- Provides appropriate process education and training to all members of IDT as needed
- Performs related facility systems audits and training/education as required

### REQUIREMENTS:

- Active Registered Nurse license in New York State
- Minimum of 2-3 years' experience in the home care industry
- Working knowledge of all reimbursement sources for home care
- Working knowledge and ability to apply standards of professional nursing practice in job situations
- Current knowledge of county, state and federal laws and regulations, as applicable, that apply to practice of nursing in home care.
- Working knowledge of HIPAA Regulations and appreciates the importance of maintaining confidentiality of resident and facility information
- Working knowledge of computer literacy, including but not limited to data entry, retrieval, and report
- Excellent interpersonal, oral and written communication skills to interact with facility administration, facility, consumers, agencies, and interdisciplinary staff

Our culture places great emphasis on integrity, teamwork, and quality of life. We offer \$62 - \$65/hour; benefits are not offered for this position.
